Before entering the galleries

Teachers and group leaders are responsible for their group throughout the visit and groups should be supervised at all times. **Please be aware of other visitors to the gallery and split large groups to 15 maximum, with at least one adult per group. Stagger their entrance into the exhibition to make circulation of the exhibition easier.** If your group is larger than 30 we recommend that you split the group **before** entering the gallery. Leave large bags in the lockers or coat area behind the Front Desk or in the Education Room if you have booked to use it.
